

AMERICAN SOCIETY OF
Brewing Chemists

PRESS RELEASE

2007 ASBC Annual Meeting

Plans for the 2007 Annual Meeting of the American Society of Brewing Chemists (ASBC) are already under way. Mark your calendar today to join ASBC June 16–20, 2007, at the Fairmont Empress in Victoria, British Columbia, Canada.

The 2007 program committee is hard at work crafting a program that will appeal to professionals working in the brewing, malt-based, distilled, and fermented beverage industries. Discover the latest research and delve into the science behind the beverages by attending Technical Sessions, Workshops, Poster Sessions, and Exhibits.

The 2007 keynote speakers have already been announced! Opening Keynote Speaker Arthur L. Klatsky of The Permanente Medical Group, Inc., California, will talk about the “Risks and Benefits of Moderate Alcohol Consumption.” And you won’t want to miss Closing Keynote Speaker Greg Evans of the Maritime Museum of British Columbia, Canada, as he recaps the “History of Brewing on Vancouver Island.”

More details about the meeting, registration, and exhibiting at this event are now available at
